DESCRIPTION:

The Embassy of the United States in Tirana will issue a solicitation for the repair, upgrade, and building of deck railings in the US Embassy Tirana. All the construction work will be accomplished according the designs. (Please note that the solicitation is not ready to be issued as of this date.)

The requirements may change depending on funding availability in forth coming periods. Major duties and responsibilities are repairing, upgrading and extending the deck vertically with a new structure to be similar with the existing one or come up with a new proposed plan for a new structure.

All responsible sources may submit an offer, which shall be considered. The Government plans to issue the solicitation beginning of June 2015.

The response date in this synopsis is not a firm date; please see the solicitation for the actual date.
